JUDGE LANDIS IS IMPEACHED BY WELTY

CONTINUES ATTACK IN FACE OF OPINION OF ATTORNEY GENERAL

Will Try to Prevent Him Serving As Judge While Acting As Supreme Arbitor of Baseball --Senator Dial Takes Lardis to Task for Stand In Ottawa Theft

(By The Associated Press)

WASHINGTON, Feb. 14.—On charges of high crimes and misdemeanors Federal Judge K. M. Landis of Chicago, was impeached in the house of representatives today by Representative Welty, Democrat, of Ohio, because of his acceptance of the office of supreme abritrator of baseball while still serving on the bench.

In taking this step, the Ohio member swept aside an opinion by Attorney General Palmer that Judge Landis was within the law, and that there was no law making such acceptance a crime, either misdemeanor or felony.

The opinion was rendered recently by the attorney general on the written request of Mr. Welty who had questioned the judge's right to hold both positions. Before proceeding to the floor of the house where his charges were read Mr. Welty refused a request by Senator Dial, Democrat of South Carolina to include in the general indictment stateemnts attributed to Judge Landis refusing to send to jail a young Ottawa, Ill., bank clerk, because of the belief that officials of the bank were responsible for the clerk's peculation by failure to pay him a living wage.

Dial Will File Complaint.

Senator Dial, on receiving the Ohio representative's refusal, announced he would file complaint against Judge Landis with the department of justice and late in the day attacked the Chicago jurist on the floor of the senate describing him as a "freak" and a "crank." South Carolina senator characterized Judge Landis' statement that the Ottawa bank clerk's employers were in a measure responsible for the youth's theft of $96,000 in the most "Bolsheviki doctrine I ever heard," and added that if the action taken by the judge in paroling the clerk amounted to encouragement of such acts as those of the clerk, "it is striking at the foundations of our government."

There was no comment in the house when Mr. Welty concluded the reading of a formal indictment of Judge Landis. On his own motion, as is customary in such proceedings the indictment was referred to the udiciary committee without debate. Less than a third of the members present voted and a number of scattering voices with lifted in objection. Nobody asked for a rising vote. Representative Sherwood, Democrat, of Ohio, sitting on the front row, clapped his hands, but otherwise there was no indictment as to how the house felt.

The next step will be by Mr. Welty who will appear, possibly this week before the judiciary committee, with such witnesses as he ses fit to call to amplify his charges. The committee will then decide whether to go ahead with the case. It has the power to dismiss the charges and so report to the house and adoption of such a report would exonerate Judge Landis of the charges preferred by Mr. Welty.

Belief was expressed in house circles that the case would be thrown out by the committee, in view of the opinion by the attorney general.

In the event the end would come before adjournment of congress March 4th. Adjournment, however, would not stop proceedings should the committee find enough evidence to send the case on to the house.

Senate Becomes Trial Court

In impeachment proceedings the judiciary committee acts in a similiar capacity to a justice of the peace. The house is the grand jury and if the house indicts, it transmits its findings to the senate, which become the trial court. It requires only a majority vote for the house to indict, but a two thirds vote by the senate is necessary to convict.

Chairman Volstead of the judiciary committee said no meeting had been called to hear Mr. Welty, but he probably would appear within a week. The retirement of the acuser from congress next month has no possible bearing, the chairman explained. If the committee decides that Mr. Welty has made out a prima facie case, Judge Landis wil have the right to be heard. Friends of the judge immediately called for the attorney general's ruling, which would be submitted to the committee and a member said a otion would be made to dismiss proceedings at the outset, in the belief that the ruling covered every legal question involved.

In his statement, Mr. Welty declared Judge Landis in the course of his long service on the bench had done a great deal of good, but that if he wanted to retain confidence and respect as a judge "he must divorce himself from the flesh pots of illegal combinations."

There were five specific charges, chief of which was not that he neglected his official duties for "another gainful occupation not connected therewith."

SERIOUS CHARGE MADE AGAINST PUBLISHERS

Claim They Are Selling Advertising Space on False Statements —Would Have Law Changed.

(By the Associated Press.)

KANSAS CITY, Mo., Feb. 14—Charging that some publishers are selling advertising space on the basis of false statements made to the postoffice department, Stanley Clague, managing editor of the audit bureau of circulation announced here today that a campaign would be pushed for the repeal of that portion of the congressional act of August, 1912, which requires that publishers submit a statement of circulation to the Government.

The movement will be backed by the American association of advertising agencies, the Associated Advertising Clubs of the world and the Audit Bureau of Circulation, Mr. Clague said. It will be launched as the New National Administration takes office he added.

Mr. Clague pointed out that under the act no audit of circulation is required and the Governmenta acceptas tahe figures sworn to by tahe publisher. The system is abused by some publishers who file false statements and then charge advertising rates on the basis of these figures he asserted.

TROOPS TO REMAIN IN WEST VIRGINIA

(By the Associated Press.)

WASHINGTON, Feb. 14.—Orders were issued by the war department late today for withdrawal of federal troops from the West Virginia coal fields, Senator Sutherland of that state announced after having presented to the department a request that the troops be retained there during the present trial of mine workers and others at Williamson.

Retention of the troops until the conclusion of the present trial at Williamson was requested by the presiding judge, the sheriff and all counsel in the case.

BOY BREAKS BOTH WRISTS IN FALL SUNDAY

Otto Menezes is a patient at Our Savior's hospital as the result of injuries received from a fall. With other boys he was playing on some buildings near the Harrigan yards adjoining the Wabash railroad station Sunday afternoon. In jumping from one building to another he fell to the ground, a distance of 15 feet, and the bones in both wrists were broken.

"COKE" VALUED AT $20,000 FOUND IN SAFE DEPOSIT BOX

Receipt for Box Found on Alleged Drug Dealer

NEW YORK CLEARING HOUSE FOR COCAINE

(By The Associated Press)

PHILADELPHIA, Feb. 14.—Cocaine valued at $20,000 was unearthed by federal agents today in a safety deposit box in the vault of a trust company. Besides the "dope" in the bank, the agents found 640 ounces of gum opium, worth $6,000 in a "smoking room" and $1,000 worth of drugs in other sections of the city.

A receipt for a safety deposit vault was found on Harry Provensky, known aslo as proven alleged drug dealer, who after being arrested Saturday was discovered to have put $57,000 in banks in the last two months. Two other men were arrested with Provensky.

New York, Feb. 14. Foreign narcotic drug vendors are making New York the clearing house for opium and cocaine because of the high prices obtained in the United States, Dr. Carleton Simon, deputy police commissioner announced today after receiving a report from a special representative who has spent several weeks in Paris.

Comes Thru Germany

Cocaine, Dr. Simon said, is reaching this country in large quantities thru Germany and Holland, while opium is being sent from Constantinople by way of Marseilles. Trans-Atlantic seamen, he adds, are evidently employed by the narcotic smugglers.

Dr. Simon's representative, whose name is withheld, sent pictures of several men here who are alleged to be connected with foreign smugglers and who are not operating in getting drugs into this city.

Cooperating with the Paris police Mr. Simons' emissary has organized a narcotic squad among the gensdarmes of the French capital to suppress the "dope" traffic.

TAKE STEPS TO REOPEN HEARING

(By The Associated Press)

WASHINGTON, Feb. 14—The interstate commerce commission would be authorized to reiew the increased railroad rates and the railroad labor board would be directed to reopen the question of wage increases granted railway employes with a iew to reducing both, under resolutions introduced today by Representatie Black, Democrat, of Texas.

The commission might find it advisable, Mr. Blake stated, to cut railroad rataes in view of the decrease in the price of many commodities.

The higher rates, he added, have proved a burden to commerce and have not yielded expected revenue. The labor board would decide by further investigation whether employes could receive less pay without suffering hardships.

WILL CELEBRATE ST. PATRICK'S DAY

NEW YORK, Feb. 14.—Announcement was made today by Roderick J. Kennedy, chairman of the committee planning New York's celebration of St. Patrick's Day that sympathizers of the Sinn Fein cause this year will make the occasion a demonstration and acts of savagery now being perpetrated by an alien oppressor.

The celebration Mr. Kennedy said would include the usual parade along Fifth Avenue in which thousands of persons are expected to participate.

ANNOUNCE NEW EXCHANGE RATE

Ottawa, Feb. 14.—The board of railway commissioners announced today that from Feb. 15 to 28 the rate of exchange in connection with shipments of freight between points in Panama and the United States would be 14 per cent. The surcharge on such traffic will be 8 per cent.

OVERRULE PLEA OF JURISDICTION IN WAGE CONTROVERSY

Decision Made in Case of A. B. and A. Railroad

RAILROAD WILL PRESENT EVIDENCE

(By The Associated Press)

CHICAGO, Feb. 14.—Pleas that the Atlanta, Birmingham and Atlantic wage controversy now before the United States railroad labor board be declared without the board's jurisdiction and the present wage rates be overruled by the board today. The ruling marked the termination a fight by the labor side to throw the case out of court on the contention that financial inability to pay the wages laid down by the board last July should comply before the interstate commerce commission and not before the labor board.

The poor financial status of the road had been given as the reason for a wage reduction to be effective February 1, which was recently ordered rescinded by the board the board's ruling decided that each side in the controversy be permitted to present its evidence in its own way. Ha day's time was taken up in the argument of E. P. Curtis, vice-president of Order of Railway Conductors, speaking for all employes of the road. The decision overruling his contentions, however, permitted railroad representatives to take the stand this afternoon and Col. P. P. Bugg, of the A. B. and A., presented a mass of statistics in the road's behalf.

Place Jurisdiction.

Mr. Curtis cited the decision of the labor board in the general rules hearing last Thursday, when it was declared that matters pertaining to the financial status of railroads were properly under urisdiction of the interstate commerce commission. Morris Brandon, attorney for the A. B. and A., declared the road was prepared to present other evidence than financial inability to pay in support of the proposed reduction.

He said the dispute centered around whether or not the present wages should be continued and maintain the railroad's right to present any evidence it desired in favor of its reduction proposal.

The ruling of the board today ordered the Erie Railroad to withdraw its reduction of track laborers' wages to 30 cents an hour and another provision which prescribed a seven day week for telegraphers. Complaint was filed with the board recently following the posting of the wage reduction several weeks ago. A hearing was set for Feb. 23.

No definite program has yet been arranged for proceeding with the general rules and working conditions hearing, which was suspended last Thursday, but it was freely predicted that a request for indefinite postponement would be asked.

JACK DEMPSEY WILL TOUR EUROPE

BOSTON, Feb. 14.—Jack Dempsey, world's heavyweight champion will make an European tour next month. He will go to England and France for exhibition bouts that will extend over six weeks. Present plans provide only for his meeting sparring partners who will accompany him as he can take part in no contest before his bout with Carpentier which has been set for July 2 at New York.

Jack Kearns, Dempsey's manager said he was looking over the field with a view to arranging for a bout here next summer between Dempsey and Jess Willard or Frank Moran.

FILE PROPOSED SEGREGATION OF READING COMPANY

Hearing on Plan to Be Heard By Court on March 1

COAL COMPANY TO PAY BIG SUM

(By The Associated Press)

PHILADELPHIA, Pa., Feb. 14.—The proposed segregation plan of the Reading company was filed with the federal district court today. The Government offered certain suggestions and the court fixed March 1 to hear both sides.

The Reading company, according to the plan, proposes to assume the $96,524,000 general mortgage, four percent bonds which are the joint obligation of the Reading company and the Reading Coal & Iron company.

The coal company will pay to the Reading company $10,000,000 in cash or current assets at market value, and $25,000,000 in four percent mortgage bonds of the company. With certain exceptions general releases of all claims and liabilities as between the Reading company and the coal company including the claim of approximately $70,000,000 carried on the books of the company as an asset and on the books of the coal company as a liability will be exchanged.

WITNESS SAYS HE WAS COACHED IN TRIAL OF MOONEY

Says Says His Expenses Were Paid During Trials by Police and Attorney

WILL TESTIFY BEFORE GRAND JURY

(By The Associated Press)

SAN FRANCISCO, Cal., Feb. 14—A statement that he was "coached" by certain police of Los Angeles to commit perjury in the trials of Thomas J. Mooney and Warren K. Billings, convicted of murder in connection with a bomb explosion, was made to District Attorney Matthew Brady here today by John McDonald, a resident of Baltimore, according to the San Francisco Call.

McDonald arrived yesterday and went into conference with district Attorney Brady and his assistant.

McDonald said his expenses were paid by the district attorney and the police for a year during the bomb trials.

McDonald is to testify before the grand jury here. He made affidavit in New York recently tahat he committed perjury in the Mooney trial, according to a statement by Frank P. Walsh, an attorney and his statements are being investigated by the grand jury.

TWO KILLED IN MINE EXPLOSION

Fatal Accident at Eldorado Monday—Cause of Explosion Unknown.

(By The Associated Press)

HARRISBURG, Ill., Feb. 14—Two men were killed and another wounded, probably fatally, in an explosion in Mine No. 8, of the O'Gara Coal company at Eldorado, near here today. The dead are Lee Miller, 24 years old and T. H. Wright, 35, and the wounded man is Frank Day, 43.

Miller's body was burned to a crisp and Wright's was burned and badly crushed. Day was burned badly about the head and body and was taken home. Physicians who attended him said he had only a slight chance of recovery.

The blast occurred aat 9:30 a. m. but Wright's body was not recovered until five hours later. Three rescue teams searched for his body and extricated it from a pile of debris. It has not been determined definitely what caused the explosion, which occurred in the east shaft of the mine. If not caused by dynamite, mine officials expresed the belief gases may have caused it.

Two hundred and twenty men are employed at the mine and 186 were in it when the blast occurred. They escaped injury as the damage done by the blast was confined to the east shaft.

The committee appointed recently to investigate the matter of a recreation room made a report which was concurred in unanimously. The trusteees were instructed to go ahead with the necessary arrangements.

COMMUNIST PLOT IS UNEARTHED BY PARIS OFFICIALS

Planned Overthrow of Three European Governments

SOVIETS ORGANIZED THRUOUT FRANCE

(By The Associated Press)

PARIS, Feb. 14—The overthrow of the "Bourgeois" governments of Spain, Italy and France is outlined in documents seized after a thoro search today following discovery of a widespread communist plot. The date fixed for this event was May 1, 1921.

The contemplated arrest of two communist members of the chamber of deputies, alleged proof against whom Judge Jousselin has delivered to M. Marraud, minister of the interior, seems to have brought the French to a realization of the importance of the attempt against the nation.

Discoveries made by the police of Barcelonia and Milan show that the plot included the three European Latin countries.

Transmission of funds was effected thru an American financial organization with European headquarters in Paris and branches in Berlin and Vienna.

Soviets have been organized thruout France with Brest as headquarters according to the police ready to take over the railroads, banks and transportation and all civil services. The plot appears to have been organized without the knowledge of M. Cachin leader of the French communist party, against whom the police say they will not demand the lifting of parliamentary immunity.

Checks Emanate From Berlin.

The discovery of checks emanating from Berlin and paid thru an American transportation company appears to have caused a revulsion of feeling in French political and official circles and also among the workingmen's committee which so long as the leaders professed to be working for principles, were willing to support them.

But a poster was issued this evening in the second ward where an election will be held Feb. 27, asking the voters to support the moderate socialist element in preference to the extremists. The French communist press departing from its menacing attitude of the past few months, expresses surprise that repressive measures should come from Premier Briand, "a former comrade."

L'Humanite, the official organ of the French communists, appears to be especially upset by the arrest of its city editor, M. Dunois. A cancelled check for 20,000 francs issued in his name at Berlin is held by the police.

The concensus of opinion in the chamber lobbies, where the probable arrest of the two communist deputies has been freely commented upon is that the government has struck a knockout blow against the communists when the minister of the interior requests the lifting of parliamentary imiunity in the case of the two deputies his request will be granted by a large majority it is believed.

WOMAN CHARGED WITH MURDER

MILWAUKEE, Wis., Feb. 14.—Mrs. Mary Taylor, daughter of Captain C. Bradick found slain in the basement of her home, today was formally charged with the murder of her father. A warrant charging first degree murder was sworn out and served upon her at the climax of a battle of wits between her counsel, and District W. C. Zabel and the police. She is being temporarily held without bail by the sheriff while steps are being taken for a writ of habeas corpus in the circuit court.

NAVAL APPROPRIATION BILL CARRYING TOTAL $395,000,000 PASSED

Vote Down Amendment to Prevent the Expenditure for Battleships Until Disarmament Conference is Called—Reduction of Forces Passes Without Comment

(By The Associated Press)

WASHINGTON, Feb. 14.—The naval appropriation bill, carrying approximately $395,000,000 was passed today by the house after it had decisively voted down an amendment which would have prevented the expenditure of any part of the $90,000,000 provided for battleship construction until an international disarmament conference shall have been called by the president.

The amendment offered by Representative Brooks, Republican of Illinois was defeated 140 to 130. The house also refused to cut the amount that would be available for work in the navy's building program during the coming fiscal year to $50,000,000 as proposed by Representative Dickinson, Republican, Iowa, and by a vote of 282 to 9, defeated a motion by Representative Blanton, Democrat, Texas, to recommit the bill for the purpose of cutting the appropriation for construction work to $7,000,000.

The measure, as it goes to the senate however, carries an amendment offfered by Representative Oliver, Democrat, Aalabama, that no part of the $90,000,000 carried for new craft shall be used on ships on which construction has not started or for which contracts have not been let.

Chairman Kelley of the subcommittee that framed the bill agreed to this limitation saying it would mean that work could not be started before July 1, 1922, on twelve destroyers, six fleet submarines and one transport, authorized in 1916 but not yet placed under contract.

No Debate on Decreases.

Reduction of the enlisted personnel of the marine corps from approximately 27,000 to 20,000 men was agreed today without comment, as was the decrease in the enlisted strength of the navy from 143,000 to 100,000 men.

Republican leaders asserted they favored an early international convention on disarmament, and Representative Mondell, the Republican leader expressing the conviction that Mr. Harding would evolve a disarmament program said it was the duty of congress to let him start negotiations in that direction.

"If he delays or hesitates," said Mr. Mondell, 'then congress can act."

Representative Britten, Republican, Illinois, urging completion of the contsruction already authorized said disarmament before then would mean that the United States would be hopelessly in a second position on the high seas. He charged that "insidious propaganda" was emanating from London in favor of disarmament.

Representative Madden, Illinois was another Republican who held it would be a mistake for America at this time to agree to a naval holiday.

PHONE OPERATOR TELLS STORY OF MATEWAN BATTLE

Said it Looked as Tho all Men in Town Were in Fight

ONE WITNESS SHOT OFF HOTEL PORCH

(By The Associated Press)

WILLIAMSON, W. Va., Feb. 14—May Chafin, a 17-year-old telephone operator took the stand in circuit court today and recited as an eye witness events of the Matewan battle last May in which ten men met death. Miss Chafin, niece of Reece Chambers, one of the 19 defendants, told an exciting story of the battle in the little mountain town.

Armed men ran up and down the principal streets of Matewan, bullets rained on all sides and men dropped in their tracks, she testified. Miss Chafin said that she was so excited she saw only one man use a pistol. This man, who fell, she said, was a Baldwin-Felts detective. She saw the bodies of six men lying about the streets, she testified.

Aked how many men she saw running on the streets, Miss Chafin said, "it looked to me as tho all the men in the town were out." She testified that after the battle she saw Sid Hatfield and Ed Chambers, two of the defendants, "search the body," of Lee Felts.

Miss Chafin testified Saturday that she had overheard an alleged telephone conversation between Sid Hatfield and Tony Webb, a deputy sheriff. Hatfield, she said asked about warrants for the arrest of the Baldwin-Felts men and he told Webb, she continued that the detectives would be killed before they left Mattewan.

Another Matewan telephone operator, Elsie Chambers, daughter of Reece Chambers, testified today that she heard Miss Chafin call Anse Hatfield, a hotel owner, and tell him of the alleged conversation between Sid Hatfield and Webb. Anse Hatfield was to have been a witness for the state in the battle trial, but he was killed while seated on the porch of his hotel last August.

The New York World accuses the Republican Senate of obstructing the work of the government by refusing to confirm appointments to the Interstate Commerce Commission, the shipping board, etc. But President Wilson left these positions vacant for months, and he was not accused by the World of obstructing the work of the government. The positions are now filled, and the men are performing their duties without any confirmation. How, then, can there be any Republican obstruction?

KEEPING UP PRODUCTION

While admittedly the present prices of farm products are lower than the cost of production, that fact has not discouraged farmers to the extent of bringing about any curtailment of acreage. The indications are that there will be just as many acres tilled in this vicinity this year and that just as much effort will be made to raise a bumper crop.

Another thing is nothworthy and that is that prices paid at public sales are higher than mere market prices and in comparatively few cases notes are given in payment, even when it is possible to give notes instead of coming forward with the cash.

THE CASE OF JUDGE LANDIS

Attorney General Palmer sometime ago gave an opinion that Judge Landis violated no law or department rule in accepting his baseball position. If the opinion had been rendered by someone else the public would have felt more confidence in it and less interested in the proposed impeachment of Judge Landis thru congressional inquiry.

There has been a great difference of opinion as to the propriety of the federal judge remaining on the bench and at the same time discharging the duties of a position with a salary of $42,500 per year. At any rate, the proposed hearing can do no harm, tho it is probably not much to the liking of Judge Landis.

NEWSPAPER COSTS REMAIN HIGH

There are various lines of business in which the operation costs are still as high as at any time since the war and with every indication of continuing so thru the present year. The newspaper publishing business is in this class Talking on this subject recently T. R. Williams, president of the American Newspaper Publishers' association gave figures showing publishers' costs have increased 200 per cent in recent years and that advertising rates have advanced less than half that amount. He pointed out that there could be no hope of reducing the number of skilled laborers required by newspapers for years to come and that while spot newsprint prices are softening the contract price of 6½ cents a pound is the highest in 25 years.

He concluded: "It is certain that contract newsprint prices will remain permanently higher than before the war. Advertisers who know newspaper conditions are not asking for a decrease of advertising rates, as they know that at present rates their advertising space is the lowest priced commodity they buy."

THE PROSPECTS ARE BRIGHT

During the past year the Literary Digest took several of the most extensive and intensive surveys that have been recorded—that it, thru votes sent to residents in all parts of the country. It is for this reason that the recent industrial survey by the Digest becomes of more than passing interest. A study of this survey gives the welcome showing that business prospects are good and that there are sound reasons for predicting satisfactory conditions the country.

"People who see nothing but gloom all around the horizon may revise their ideas when they glance over the returns," remarks the editor in introducing a summary of what was gathered from the survey.

"But better yet," continues the editor, "is the fact that we keep finding places where the business slow-down hasn't even been felt. Pessimists may think this incredible, but without the slightest desire to indulge in any unwarranted optimism or rosy delusions, it must be recorded that we have received report after report saying 'we have not felt any slump,' 'no slump here,' conditions 'normal or better,' 'better than normal,' 'running full time,' 'best in years,' and in at least two cases, 'working day and night.' "

TAXATION AS AN ISSUE

At the close of a very interesting pamphlet containing a series of arguments in sunport of the policy of collecting debts due the United States from foreign countries, the Harriman National Bank of New York says

"There probably never was an election for President of the United States less governed by partisan politics than that which carried the Republican candidate to office by a ballot surpassing all previous ballots. The authoritative reason therefor is the hope for reduced taxation, in the achievement of which the incoming party has the all but unanimous confidence of the people."

This is undoubtedly a true statement, but should be taken in its broadest sense. The people are anxious for reduced taxation, not merely as indicated by a lower figure on their tax receipts but by substantial evidences of economical management of the nation's business. And there are taxes not measured in terms of dollars. The Wilson administration proposed to impose upon the American people a league of nations tax in the form of men as well as money incident to our participation in all the broils growing out of European politics. The Wilson administration proposed to levy an intangible tax which Mr. Wilson very properly designated the "supreme sacrifice." The American people refused their approval to that tax, and manifested their confidence that the Republicans would protect them from it.

Funerals

Biggs.

Funeral services for Frank Marion Biggs were held Sunday afternoon from the family home, in charge of Rev. M. L. Pontius. Suitable music was furnished by Mrs. Mary F. Hitt, Miss Cora Graham, C. L. Mathis and W. W. Gillham. There were many beautiflowwers and they were cared for by Mabel, Helen, Marjorie and Gladys Biggs, cousins of the deceased. The pall bearers were uncles of the child, Clyde, Charles and Clifton Smith and Justin A. Biggs. Burial was in Diamond Grove cemetery.

On Saturday, Feb. 12, at 12:30 Frank Marion, son of Mr. and Mrs. Louis E. Biggs of 833 South Clay avenue, passed into the eternal keeping of Him who said: "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven".

Frank was born in this city March 27, 1918, being 2 years, 10 months and 15 days of age, and leaves beside his parents one brother John and three sisters, Dorothy, Lois and Margaret to mourn his early departure.

Though never very strong, his last illness was only of two days duration. He was of a bright and happy disposition and greatly loved by a host of friends and relatives and in passing leaves behind a swee' and precious memory.

There's a pair of little hands
Laid to rest forever more;
There's two pearly dimpled cheeks
Whose rich blossoming is o'er.
Death has sealed his little eyes,
They will no more, smile or weep
Tiny windows of the soul
Little Babe has gone to sleep.

"Why did you arrest this man?" asked the Judge.

"For insulting an officer," replied the Traffic Cop.

"I didn't insult him," insisted the Prisoner.

"What did you say to him?" asked the Judge.

"I merely said that he was a hold-up man and that he was working a come on game," replied the Prisoner.

Mr. Nobody.

LILLIAN OWEN'S MARIONETTES

There is a mistaken notion about Marionettes being mere playthings, fit only for the amusement of children, said Laurance Clarke, who is presenting Lilian Owen's Marionettes, when interviewed concerning the performances this afternoon and night at the benefit of the Meredosia Camp Cottage.

He admits that the marionettes, or puppets, are only dolls, but explains that they are marvellous dolls that not only sing, talk, and dance, but can create effects that are utterly beyond the power of the regular stage. For instance, if a play demands that a madd bull oss the hero over a fence this actually happens on the puppet stage And again, in puppetry there is never a conflict between the personality of the actor and the personality he tries to give to the character he is portraying. They are, pointed out, Mr. Clarke, a unique medium of acting, and are just as capable as the stage and screen of presenting any drama or comedy, and, moreover, of presenting them just as fervently and effectively as the other two mediums.

Lillian Owen's Marionettes come from the Neighborhood Playhouse, New York, and from an extraordinary run in and around Boston, where they were so popular that the demand kept them there three months. This excellent company is the first marionette organization that has ever come to Jacksonville.

RESULT OF POULTRY CULLING

The Missouri State Experiment station has concluded a twelve months hen laying contest to check up on the culling work done by county advisers. Briefly, this work was reported in the American Poultry Journal as follows:

Forty hens were selected by county agents and flock owners from four farm flocks from different parts of the state, representing twenty profitable and twenty unprofitable individuals. These hens were all healthy and vigorous and of the same age, but nothing was known of their breeding or past records. During the last year these hens have been fed and housed under ideal conditions and an accurate trapnest record kept of each individual. According to these records, it is evident that in the majority of cases these hens were selected by application of the pelvic bone measurement, disregarding the several other points that should have been considered.

In each instance, those selected as unprofitable laid a few eggs less than those selected as profitable, the difference being only 485 eggs, which proves concluselly, as shown by the records, that there were culls selected as profitable hens, and vice versa. The fact is, some of the poorest producing individuals were selected as profitable hens, and the highest producer among the forty hens was classed as a cull.

As a result of this contest, the has been brought out that poultry raisers are not efficiently applying the important principles in culling their flocks, which are vigor, condition of molt, body depth, quality of pelvic bones, breast bone, body and abdomen, body spread and pigmentation

The Stone Age

—Sometimes we wonder how far we have gotten from the days of the Stone age.

—The old argument that tailored to measure clothes are "High" is a relic of the days when men threw rocks at each other.

—It wouldn't make much difference if we put a piece of cloth in our window and marked it "Suit, $10.00," some bird would come along and exclaim "Too High, Too High."

—We are selling quality, good cloth, fine workmanship, actual fit of garments, long wear, clean trading and a lot of good will and desire to have our customers "Come Back."

—We make the best clothes for the least money of almost any tailor in the country.
—Price tells nothing. Price backed by reputation tells a world of things.

—While you are "window shopping" just remember what we've said, but don't stop with "just a look." Come in and satisfy yourself of the truth of our statements.

YOU'LL GET RID OF BLACKHEADS SURE

There is one simple, safe and sure way that never fails to get rid of blackheads and that is to dissolve them.

To do this get two ounces of calonite powder from any drug store—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear, leaving the parts without any mark whatever. Blackheads are simply a mixture of dust and dirt and secretions from the body that form in the pores of the skin. Pinching and squeezing only cause irritation, make large pores, and do not get the blackheads out after they become hard. The calonite powder and the water simply dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition. Anyone troubled with these unsightly blemishes should certainly try this simple method.

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble end expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress, and sale of goods and chattels of such person." Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

How to Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes but a moment to prepare, and saves you about $2.

Pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and tastes very pleasant.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind

GETTING READY FOR BIG AUTO SHOW

Automotive Dealers Had Plenty of Business at Special Session Held Last Night.

The Jacksonville Automotive Dealers association held a special meeting Monday night at the Dunlap hotel, called for the purpose of completing arrangements for the automobile show and merchants exposition to be held March 7 to 12 in Zahn's Auto Inn. The meeting was preceded by a six o'clock dinner spread in the private dining room of the hotel under the supervision of Manager John Rule.

The special committee appointed to make arrangements for the show made its report, and Mr. Wilkinson, the show manager related progress to date. Special decorations and lighting have been arranged for and the coming show promises to equal any given in the larger cities in all except the number of cars shown. Some twenty auto and tractor dealers have contracted for one or more booths each and will show not only the cars they represent, but tractors, trucks, tires and accessories. A large number of merchants have also taken space in which to display their wares.

It is safe to predict that the show will be an event of which Jacksonville may be proud and that it will pay people to come many miles to see. There will be no admission charge and the general public will be welcomed at any time during show hours.

Just before adjournment a motion was made, seconded and adopted unanimously, that the association endorse Mayor E. E. Crabtree for re-election this spring.

REAUGH JENNINGS HAS FINE OVERSEAS RECORD

Reaugh Jennings, deputy in the office of Circuit Clerk Wanamaker, yesterday received his Victory medal and it is one that the ex-service man will value more as the years pass by. There are five bars on this medal, Aisne, Aisne-Marne, St. Mihiel, Meuse-Argonne and Defense sectors.

Mr. Jennings who by the way is not given to talking about his war experiences, has also the Croix de Guerre, as he was cited by the French government for bravery near Vierzy, July 19, 1918, for "attending the wounded in spite of the enemies heavy artillery fire.

Mr. Jennings enlisted at Springfield in May, 1917, and was sent to Jefferson Barracks and then to a southern camp. He was overseas by October the same year and during the 18 months' service overseas as his service bars show, took part in some of the heaviest campaigns of the war.

G. E. DOYING WILL EMBARK IN NEW BUSINESS

A Springfield dispatch indicates that George E. Doying, well known in this city and now assistant secretary of the state public utilities commission, is the principal stockholders of the Peoria-Springfield Motor Transit Co. It is understood that Mr. Doying is soon to give up his present position and devote his time to the development of the business made possible by the completion of the hard road between Springfield and Peoria. The company expects to operate motor buses between the two cities. A certificate of convenience and necessity has ben filed with the utility commission asking for authority to operate the business.

DECREASE IN FIRE LOSSES ON JAILS

Springfield, Ill.—Jails were the only classification of property showing a decrease in fire losses during the past year, John G. Gamber, state fire marshal states in his annual report, just completed There was only one jail fire in his annual report, just completed. There was only one jail fire during 1920, that entailing a loss of only $10. In 1917, there were six jail fires with $750 loss; in 1918 four fires in jails, loss $580, and in 1919 four jail fires with the loss of $485.

Mr. Gamber could not account fro the decrease in jail fires, unless, he said, the number of inmates had been reduced.

RADICAL CHANGES IN STATE'S COUNTY JAILS

Marked Changes in Character of Prisoners and Crime Reported by Illinois Sheriffs — Cass County Jail Empty.

Chicago—County jails have undergone in the last few years the most radical changes they have ever experienced, it is indicated by letters from a number of Illinois sheriffs received here by the Associated Press.

Some marked changes in character of prisoners and crime are reported, attributed to prohibition, prohibition enforcement, the war, the movies and the automobile. Outside the big cities there is also a decrease of prisoners in many county jails. In Chicago the tendency has been the other way.

"The prisoners of 1917 were most men of middle age but the men I have had the past six months were mostly young men, being auto thieves, stick-ups and burglars turning that way when work slacked up,' write Sheriff William E. Morris of Macoupin county. "My opinion of the young stick-up operating now in general is that he is mostly due to the two-gun man and Bill Hart stuff in the movies. While I like to see the western stuff myself and think you will find most of the sheriffs of the same mind, I don't think they do the younger generation any good."

Sheriff George W. Farrar of Cass county writes: "At the present time our jail is empty. We have one town in our county that has always been wet until national prohibition went into effect and most all of our prisoners originated from this wet spot.

Cook County Sheriff Reports.

Sheriff Charles W. Peters of Cook county writes: "I am aware that in many localities the jails are almost empty. This applies to small communities where conditions are normal and where few changes in population occur. Conditions in Chicago, however, are different, and I think you will find it so in other large cities, for in times of depression and lack of employment the unemployed leave the small manufacturing centers and flock to the cities."

Sheriff Peters then quotes from his annual report that jails in the great cities are "full to overflowing as a direct heritage of the war.' He points out that it is largely young men who are in the toils, mentions the influence of uncensored moving pictures, and gives prominence to automobile thefts. Sheriff Peters adds that the number of federal prisoners in Cook county has almost doubled due to the increase of prosecutions under the national prohibition act.

"I think possibly part of the reason there have been so few in most of the county jails the last year or two," writes Sheriff R. T. Gorman of Livingston county, "is because there has been a change made in the law in the feeding of the prisoners. The old law used to be that the county paid the sheriff so much a day for the feeding of each prisoner. Now the county feeds the prisoners by buying the food and hires it cooked and given to the prisoners. I think you will find there are not so many prisoners in jail for vagrancy since this law went into effect."

Prohibition Brings Decrease

"I am convinced," writes Ralph Spafford, sheriff of McLean county, "that the national prohibition act is largely responsible for the decreased population of county jails. I believe you will receive about the same report from 95 per cent of the Illinois sheriffs."

James N. Norris, deputy sheriff of Hancock county, writes "Automobile thefts have headed the list of offenses in this county for some time."

"If I am going to stop all illicit distilling of liquor I will have to build the jail several times larger," Sheriff R. T. McDill of Henderson county writes. "This is getting to be a terrible nuisance. I got five stills in one place last Friday but as yet have not caught the man who ran them. I believe if they were permitted to make pure beer that would stop this moonshine work."

From Moultrie county Sheriff Charles Lansden wrote: "We have a county that has been free from saloons for sixteen years and I can say conditions are much improved, crime is less and most all violations are of a petit nature that are in most cases settled by fines. We have only two prisoners under bond to await the action of the grand jury, Mach term."

TWENTY FIVE BEGIN WORK IN PYTHIANISM

Important Ceremonial Session Held Monday Night by Jacksonville Lodge.

Jacksonville Lodge No. 152, Knights of Pythias, had a ceremonial session last night, when a large class of candidates was given the rank of page. The event was of such importance that there was a large attendance of the membership and the whole occasion was notable in lodge history. Twenty-four candidates were initiated for membership in No. 152 and one for Favorite Lodge No. 376.

At the close of the ceremonial session a brief address was made by Mayor E. E. Crabtree, who is a member of the lodge. He told the candidates that the work they had seen should be taken as an index of still better things to come and expressed the belief that none of them would ever regret that they had become members of the Pythian order.

The assembly room in the Pythian temple was formerly divided by great folding doors. As a part of the present improvement plan these doors have been removed and the two rooms made into one spacious apartment. The two rooms in the second floor which are to be available for lodge purposes are almost in readiness and when they are completed the local lodges will have just about the finest quarters in the state. The list of candidates last night included the following:

Albert A. Lytle, Noel L. Boston, T. C. Mae Vicar, Charles Otis Smith, Hal H. Roberts, Harry A. Mahoney, Stacy Calvin, George A. Harry, J. H. Memken, Lecester Elliott, Lyell B. Wiant, George H. Evers, C. Ellsworth Black, F. Garm Norbury, C. S. Ratcliffe, Maurice Allen, Clifford Hollers, Edward Coates, Denby A. Ranson, Fred Coultas, A. G. Leedy, Earl B. Sturdy, Walter A. Martin, John G. TEMPERAMENTAL ARTISTS WORRY

Cause Manager to Dig Down for Extra Change—Idiosyncrasies for Once Benefit Patrons.

The concert at the Woman's College last night presented some queer phases.

When Miss Poppe and Mr. Berger were first engaged for this appearance, Mr. Lyell Barbour was to accompany both these solists and to appear as piano soloist. Since Mr. Barbour is a favorite with Jacksonville people his inability to come caused genuine regret.

Then came the matter of an accompanist for the two who were left of the original trio. Mr. Berger refused to play with anyone but his regular accompanist and Miss Poppe refused to come without Miss Foster.

In this dilemma, rather than disappoint his public by cancelling the engagement, their manager Mr. Culbertson of Chicago went into his own pocket and paid the expenses of two accompanists in order to placate two unyielding artists.

The subscribers to the Artists' course expressed themselves in no uncertain way as thoroly satisfied with the arrangements for the evening. The program in spite of domestic infelicity, was one of the best of its kind ever given here.

Miss Poppe has been making appearances before a Jacksonville public for a period of some years, and her audience grew more enthusiastic with each new program. Miss Foster who offered beautiful accompaniments to her playing is likewise no stranger here, as she appeared on the same platform with Miss Maxwell in October.

They offered as supplements to the program.

"Orientale" by Cici-Mucs.

Poppe's own setting of "Carry Me Back to Old Virginie" and "Old French."

Mr. Berger, tho a newcomer here, immediately won his way with the "Gypsy Airs" by Sarasate, substituted for the the first number.

One of the most interesting features of the entire program was his group of five Morris Dances. His numbers were supplemented by the Andante and Variations from the Kreutzer Sonata by Beethoven "Ave Maria" by Schubert and a Nature Fantasie by himself.

Mr. Carlin proved equally at home in solo work an accompanying. His playing is distinguished by clearness and a fine sense of proportion, and a good singing melody.

"BUDDIES" PRESENTED AT THE GRAND

The opera house was not crowded last night for the presentation of George V. Hobart's "Buddies," but nevertheless it was an excellent production. The delightful comedy which was offered gives the picture of young Americans billeted in a French home.

Ex-service men in the audience, particularly those who saw service in France, especially appreciated the production and found it very true to life. Of course a prety love story runs thru the two acts. A well balanced company presented the play and the audience was well pleased.

GIRLS WILL PRESENT "THE WORSTED MAN"

Play to be Given at Pilgrim Memorial of Congregational Chuch Saturday and Monday Evening, Feb. 19 and 21.

"The Worsted Man" by John Kendrick Bangs is to be given in the Pilgrim Memorial of the Congregational church, Saturday evening, February 19, and Monday evening, February 21. The cast is composed of young ladies, mostly college students, and includes several who are already well known for their ability along dramatic and musical lines.

The play is an old favorite and this prsentation promises to be one of special attractive ness.

The plot centers about the appearance of "The Worsted Man," at a summer hotel where a group of charming young maidens are longing for masculine companionship. He proves a joy and delight to each of the young ladies until the discovery of his outrageous flirtations brings the romance and the play to a tragic end. Bangs' inimitable wit and cleverness is evident in every line and the music and acting bring out all the amusing possibilities of the plot. No one can fail to enjoy "The Worsted Man."

The cast of characters is:

Mr. Woolley, "The Worsted Man"—Betty Palmer.

BURGLARS LOOT CIGAR COMPANY

Factory of A. F. Franks Robbed of Goods Valued at From $2,000 to $3,000 — Lower Loot on Elevator and Carry it Away on Trunk.

The A. F. Franks Cigar company at East St. Louis was visited by burglars last Thursday night and cigars and merchandise to the value of between $2,000 and $3,000 taken. The proprietor, A. F. Franks, is a former resident of Jacksonville and well known here.

The yeggs gained entrance to the building by climbing a fire escape and breaking a window on the third floor of the factory. They used the building elevator to lower the loot to the basement. The basement door was then broken open and indications are that they loaded the goods on a truck.

Mr. Franks made an inventory and found that about 45,000 cigars and some other merchandise were missing.

The cigar factory is located in Broadway street, one of the busiest streets in East St. Louis.

The theives evidently worked slowly and deliberately, not overlooking anything as one of the stenographers had left a box of candy on her table and the bandits proceeded to consume the candy. No effort was made however, to open either of the two big safes.

TO THE TAXPAYERS AND VOTERS OF MORGAN COUNTY

We, your board of county commissioners, take this means of informing the taxpayers and voters of Morgan county that our office in the court house is always open. We are the servants of the people and desire to execute intelligently the will of the people, if the people will let us know their wants.

We have no secrets, and are trying to conduct the business of the county in such a manner as will be fair and equitable to all concerned.

We appreciate suggestions and want to assure the taxpayers and voters that we are always glad to advise and counsel with them, and can guarantee the citizens of Morgan county, that should they have on hand any matters pertaining to the county's welfare, they will be sure of a hearing before our board.

At the request of a number of persons our regular meeting date has been changed from Monday to Saturday.

George A. Wheeler,
James E. Osborn,
Frank L. Mawson,
Commissioners.

FORMER RESIDENT OF WINCHESTER IS DEAD

Death of David Lewis Came at Home in Cedar Bluffs, Nebr., Saturday Night—Grady Funeral Held Monday Afternoon—Other News From Winchester.

Winchester, Feb. 14—A message received here Sunday morning by Mrs. George Longnecker, announced the death of her brother-in-law, David Lewis, who passed away at his home in Cedar Bluffs, Nebr., Saturday night. Mr. Lewis was familiarly known in Winchester as "Tucker" Lewis. He was born and reared here and at one time served as mayor of the city. He was for years associated with F. R. Waters in the cigar business and was a man who had the respect and good will of all who knew him. The many friends of the deceased in Winchester and Scott county will regret to know of his death. He had been in failing health for the past two years or more and his death was not unexpected.

Mr. and Mrs. Longnecker left on the late train Sunday night for Galesburg where they will meet Mrs. Lewis and accompany the remains to Winchester. The funeral party is expected to arrive early Tuesday morning. No arrangements for the funeral have yet been made, and a more suitable notice will appear later.

The funeral of the late Mrs. Grover Grady was held from the Christian church at 2 o'clock Monday afternoon. The large auditorium and Sunday school were filled with relatives and friends of the deceased, who formerly resided here. The choir of the church furnished suitable music for the occasion. Rev. Mr. Elmore was in charge of the services and spoke in a most impressive way of the life of the deceased. Following the sermon S. G. Smith sang as solo, "Face to Face."

There was a great profusion of floral tributes and these were in charge of Mrs. Harold Birk, Mrs. D. J. Kitzelman, Mrs. Wesley Andell, Misses Marie Grady, Grace Leach, Bessie Andell, Gertrude Bogelhund, and Katherine Carey. The bearers were, John, Wesley and William Andell, Edward Gibbs, Delmer Kitezlman, and Allen McCullaugh. Interment was in the Winchester cemetery.

Mrs. Hugh Everetts and son Marion returned to their home in erseyville, after a visit at the home of William Penton and family. Mrs. Elizabeth Penton accompanied them home for a visit.

Sam Cohagan arrived home Sunday from Chicago, where he had a position with the Western Electric Co. On account of the dullness of business at the present time he will spend some time at his home here.

Mrs. William Ring of Murayville, and Miss Margaret Welsh of Alsey, were isitors in Winchester Monday.

Miss Mary Collins has arrived home from Sioux City, Iowa, where she spent the winter with relatives.

The ladies of the Baptist church held a sale of eatables at the Higgins book store Saturday. The articles offered found ready sale and the ladies realized about $40.

Mrs. E. B. Waters was called to White Hall Monday afternoon by the serious illness of her mother.

Miss Nell Smith entertained about 36 of her high school friends at a delightful Valentine party at her home on North Main street Saturday evening. The hours were spent with games and dancing and before the guests departed for their homes the hostess served delicious refreshments.

MATRIMONIAL

Osborn-Watson.

The mariage of Miss Hazel W. Watson of Woodson, and Henry Russell Osborne of Arville, N. D., was solemnized at 1 o'clock Monday afternoon at the home of Dr. G. W. Miller, in Woodson. Dr. Miller performed the impressive ceremony in the presence of immediate relatives, including Mr. and Mrs. Isaac Crabtree, who are grandparents of the groom.

Mrs. Osborne is a daughter of Mr. and Mrs. Leonard Watson of Woodson, and a niece of the officiating minister. Mr. Osborne is a son of Mr. and Mrs. H. G. Osborne, former residents of this county.

The gown of the bride was of blue chiffon taffeta and her bouquet was a gorgeous bunch of American beauty roses. Delightfully dainty refreshments were served to the few guests at the close of the ceremony and Mr. and Mrs. Osborne caught the 2 o'clock train for Hampton, N. D., where they will make their home in the future. Mr. Osborne has extensive agricultural interests near there.

The bride belongs to a well known Woodson family and has lived there always, being educated in the local schools. She has many friends there and in Jacksonville.

The young couple have the good wishes of all who know them.

WITH THE SICK

Mrs. Susan Alice Littler is seriously ill at the home of her son, Hubert Littler, 1221 Park Place.

Mrs. J. H. O'Donnell who has been ill of ptomaine poisoning at her home, 471 East State street for the past week, is improing in a gratifying manner.

HELD REGULAR MONTHLY MEETING

The regular monthly meeting of the teachers and officers of Grace M. E. church was held Monday evening in the church parlors. About fifty were entertained at a luncheon given by the "Hoppers," Mrs. T. V. Hopper is the teacher. Business matters in relation to Sunday school work were discussed. Reports show a much better attendance than a year ago.

BAPTISTS TO MEET IN SPRINGFIELD

Important Conference Is Planned for Thursday and Friday.

Delegations from the Baptist churches in this part of the state will rally at Springfield on Thursday and Friday for what promises to be one of the most important series of missionary conferences ever held in this section. The meetings in Springfield are but one link in a chain of regional missionary conferences which are being held in 35 states, and in which 10,666 churches comprising the Northern Baptist convention, are co-operating, under the auspices of the general board of promotion of that body. The objective of this conference, which is being paralleled in other centers, is a renewal of the missionary spirit throughout the domination, and already there is a marked interest in centers where meetings have been held. Other meetings are to be held in other states until March 20th.

Among the prominent leaders who are to speak at the Springfield meeings will be: Dr. James H. Franklin, foreign secretary of the American Baptist Foreign Mission Society; Dr. Alonzo M. Petty of Portland, Ore., one of the best known preachers in the northwest; Dr. William Lee Ferguson of Bishopville, Madras Presidency, South India, a veteran leader in that field; and Miss Sarah Noyes of Katherine House, Indiana Harbor, Ind., a social service and community worker with service which has been very extensive, and gives her a first hand knowledge of needs in our own nation.

ALL READY FOR SPRING SHOWING

VIENNA DECREASES NEARLY HALF A MILLION

Washington, Feb. 14—The cost of living in Vienna today is 155 times higher than in 1914, according to reports to National headquarters from American Red Cross workers in the Austrian capital. Salaries have increased only about five times as shown by a investigation of a large number of middle class professional and governmental positions.

At the same time that the cost of living, has increased so tremendously, the kronen which is normally worth twenty cents in American money has dropped in exchange value to one-sixth of a cent. Allowing for the increase in the prices of commodities in America, the kronen will buy only 1-250th as much as an average American commodity as in 1914.

Conditions of extreme distress in the Austrian capital have reduced the population of the city from 2,220,000 to 1,800,000. The decrease while due largely to emigration is to some extent the result of the high mortality rate and the dwindling birth rate.

Supplies recently distributed by the American Red Cross in one month were valued at more than 120,000,000 kronen, according to estimates by Vienna newspapers.

Eruptions of the Skin Cause Tortuous Itching

If you are afflicted with any form of skin disorder, you are well acquainted with the flaming, burning itching that these diseases produce.

So many people continue to suffer from eczema, tetter, and other forms of skin disease because they do not seek the source of their suffering and no disease can be successfully combatted unless attacked at its source.

Skin diseases are caused by an impurity or disorder in the blood, and there is no real and genuine relief within your reach until such impurities are removed.

This explains why disappointment comes from the use of lotions, salves, ointments and other local remedies.

S.S.S. has given great satisfaction in the treatment of these disorders, because it is such a thoroughly satisfactory blood purifier. It cleanses the blood of all impurities, and thus counteracts the effects of the germs that attack the skin.

Begin taking S.S.S. today, and if you will write a complete history of your case, our medical adviser will give you expert advice without charge. Address Chief Medical Adviser, 822 Swift Laboratory, Atlanta, Ga.—Adv.

WIFE TAKES HUSBAND'S ADVICE

And Is Made Well Again by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My hueband asked me to try Lydia E. Pinkham's Vegetable Compound. For the first four months I could do but little work, had to lie down most of the time, and was very nervous, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children this last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. M. NATALE, 72 Fremont St., Springfield, Mass.

Sickly, ailing women make unhappy homes, and after reading Mrs. Natale's letter one can imagine how this home was transformed by her restoration to health. Every woman who suffers from such ailments should give Lydia E. Pinkham's Vegetable Compound a fair trial. It is surely worth while.

INCOME TAX FACTS YOU SHOULD KNOW

Careful check is kept by the Bureau of Internal Revenue on returns of individual income. Under the "information at source" provisions of the revenue act, every person, firm, and corporation paying to another person, partnership, personal service corporation of fiduciary $1,000 or more during the calendar year 1920 is required to make a report of such payment to the Commissioner of Internal Revenue.

In the payment of employees, employers must consider payments for overtime, commissions, bonuses, shares in the profits of the business and the fair value of board and quarters furnished as part payment for services. Names and addresses of employes and whether the employe is single, married, or the head of a family should be stated in the return. Where no present address is available the last known postoffice address should be given.

Firms having branch offices should include salary payments made to employes of such offices. The main office should make the complete return, noting the location of each branch.

A separate return for each employe whose salary was $1,000 or more is required of employers. The information in each separate case must be entered on Form 1096, which serves as a letter of transmittal.

Tenants who made directly to landlords payment of rents amounting to $1,000 or more are required to file an information return. Where the rent is paid to an agent no return need be made. The agent, however, must make a return showing the total collected for each landlord during the year 1920, if it amounted to $1,000 or more.

The revenue act requires report of payments "of all fixed and determinable income," such as salaries, wages, rents, commissions, and royalties. The requirements are not limited to periodical payment of $1,000 or over, as a fee to a lawyer or commissions to a broker must be included.

Collectors of internal revenue are not authorized to receice returns of information which should be addressed to "Commissioner of Internal Revenue, Sorting Section, Washington, D. C." Forms for filing such returns, however, may be obtained from collectors.

The period for filing information returns is from January 1 to March 15, 1921. Persons required to make such returns and who fail to do so are subject to the same penalties which apply to a person who fails to make return of individual income.

A NURSE'S ADVICE

Hoopeston, Ill.—"It is with pleasure that I recommend Dr. Pierce's medicines, especially the Favorite Prescription for women who are suffering or for prospective mothers, to build up the nervous system. I have taken it myself as a tonic and it was very beneficial, and I have recommended it to my patients, many of whom have also been benefited. Dr. Pierce's medicines are worthy of all the praise I can give them. I put them ahead of all other ready-prepared medicines, knowing them to be pure and that they do not contain any injurious drug."—Mrs. Lydia Lowe, Box 65.—Adv.

What Is an Investment Bargain?

Low-priced securities promising high income yield are not always bargains.

Securities which have a record for sustained market value—combined with an attractive normal yield—are more desirable as conservative investments.

Preferred Issues

of The Straus Brothers Company

Paying 7% or Better

have maintained a remarkably high and steady market value during recent months when many of the best known securities reached unheard of low levels.

The sustained market value of Straus Securities is a striking illustration of their QUALITY.

NEWSPAPER TELLS HOW BOY WAS SAVED FROM LUNG TROUBLE

Read what the Altoona Times-Tribune says about the case of Paul McCartney. Reporter interviewed his parents and saw the boy.

The story shown below is a news article, not advertising.

Altoona (Pa.) Times Tribune, March 26, 1920

HEALTH COMES TO LAD THROUGH ADVERTISING

Despairing Parents, As the Last Resort, Choose Remedy Heard of Through This Newspaper—Boy Is Now Well and Robust

It would hardly occur to you that a miracle could be worked through advertising—one that saved to doting parents the life of their only son? Strange as it may seem, that is just exactly what has been accomplished in a specific instance right here in Altoona. We all have heard volumes about the value of advertising, but that the great results achieved by it, should save life, almost passes our belief. However here are the facts in the case.

Paul McCartney, son of Mr. and Mrs. Sheldon McCartney, residing at 2922 Walnut avenue, this city, and who on October 19 last, celebrated the 14th anniversary of his birthday, took sick July, 1918, his illness rapidly assuming such a critical aspect that his life was despaired of. The parents in their frantic efforts to save his life, called in different medical practitioners and at different times had him admitted to both city hospitals.

DIAGNOSED TUBERCULOSIS

The malady was diagnosed by the physicians as tuberculosis and it was suggested that the parents keep the boy out of doors, day and night and feed him entirely on a milk and egg diet. In compliance, the parents had an army cot placed on the back porch, had it properly screened and there, the sufferer reduced to a mere skeleton, lay day and night, his life ebbing.

From August 1 until October the patient was unable to take nourishment of any kind except in occasional insignificant quantities sufficient to sustain the waning life. The stomach would not retain the food.

Finally, the attending physician told the despairing mother that he could do nothing more that the child must die. Fortunately Mrs. McCartney's father, A. T. Rigg, residing at 2925 Pine avenue, brought to his daughter a copy of the Altoona Times, containing an advertisement of Milks Emulsion "Nature's Remedy" prepared and sold by The Milks Emulsion Co., Terre Haute, Ind., and advised her to try it as a last resort.

EFFECT MARVELOUS

The effect was marvelous. In an interview granted to a Times Tribune reporter last evening, pursuant to an inquiry from the Milks Emulsion Co. to whom Mrs. McCartney had sent a letter of appreciation, she said that in three days after taking the remedy, her boy was able to walk with her aid. After taking ten bottles, he was wholly restored to health. In substantiation of her story the reporter was shown a snap shot of Paul after he had used the emulsion three days—he was a mere bag of bones, as the saying goes, a pitiful figure with skin drawn taut over the bones.

Then in contrast, the mother called to her son who was engaged in strenuous play on the street, and in came a lad, vibrant with health and cheeks glowing like the rose. All this in spite of the ultimatum by a physician, "that he might as well take so much lard," according to the mother's statement.

Mrs. McCartney sent her letter to the company in the hope that other mothers could learn of this remedy, what it did for her son, and perhaps receive from it the same invaluable boon. She called the attention of the reporter to a bottle of the emulsion which ever has the place of honor on the buffet, and to which she says, recourse is had every time any member of the family complains of not feeling well. Paul is attending school regularly, being enrolled at the Curtin building. Mr. McCartney is a well known machinist in the Juniata shops.

SEED CORN—We have a wonderful season at Mason City this year for maturing seed corn with the result that we have the finest lot of well dried 1920 crop of seed corn that we have ever grown. This corn is gathered early in the fall and placed on drying racks when it is very slowly dried down to twelve or fourteen percent moisture content. This gives corn of very high vitality. We have been in the seed corn business in a large way for over thirteen years and have the largest and best equipped drying plant in the world. Our down town plant is in the center of Mason City, right on the hard road between Springfield and Peoria. It is well worth a trip to Mason City to see this corn. Price is only $3.50 per bushel. Daily Market Report

PRICE OF CORN AFFECTS MARKET

By Associated Press.

CHICAGO, Feb. 14—Broadening of demand for corn had a decided bullish effect today on all grain. Wheat closed strong, 4¾c to 5½c net higher, with March $1.70⅛ to $1.70¼ and May $1.59 to $1.59½. Corn gained 2⅞c to 3c and oats 1⅜c to 1⅝c@1¾c. In provisions, there was an advance of 15c to 35c.

Wheat quickly repsonded to the stimulus from the corn pit. Announcement that there had been 750,000 bushels of corn taken for export gave empasis to opinions that with hogs at present prices the current quotations on corn were far too low. Then came fresh reports from the winter wheat belt indicating crop damage from green bugs as far north as Central Illinois. Prices moved rapidly, March at the top for the day showing 22¼c advance as compared with the lowest recent level.

Country offerings of corn were small despite the bulge in prices. The strength of oats was chiefly borrowed from corn. Higher quotations on hogs helped to lift provisions, and so too did the upward swing of grain.

NO VISIBLE CHANGE ON STOCK MARKET

(By the Associated Press.)

NEW YORK, Feb. 14.—Aside from a general strengthening of the banking position thruout the country as indicated by returns to the federal reserve board the week in the stock market opened with no visible change from recent dull and uncertain conditions. The adverse transportation situation was attested by a further decrease of railway tonnage, there being more idle freight cars on the principal roads according to authoritative statements than at any period in the last decade.

Improvement in grain prices created a more cheerful sentiment at western and southwestern agricultural centers but this was again offset or largely neutralized by wage reductions, suspended dividends and evidence of diminishing investment demand.

There was little in the stock market to call for specific comment until the final hour, when shorts to cover as buying orders appeared in the usual favorites.

Sales amounted to 500,000 shares.

The money market followed its usual set course call loans holding at 7 per cent on the exchange but easing fully one per cent in private offerings. British and other leading foreign remittances were appreciably better, excepting Scandinavian rates.

Liberty bonds were irregular the 3½s displaying further heaviness. Most other domestic and foreign issues were without definite trend on a moderate turnover. Total sales (par value) $12,650,000.

LIFE LONG RESIDENT OF COUNTY IS DEAD

John E. Fanning Dies Sunday at Age of Eighty-Four Years — Funeral Service This Morning.

The death of John B. Fanning, long time citizen of Morgan county, took place at 6:30 o'clock Sunday morning at the home of his grandson, Ralph Carter, 514 Duncan street. Mr. Fanning's death was due to pneumonia. He was born Oct. 5, 1837, in the Youngblood Prairie neighborhood, and so was past 84 years of age. Mr. Fanning's parents were Mr. and Mrs. Robert Fanning and they came here in the early days from Tennessee.

The deceased was married in 1855 to Mrs. Amelia Tribble and fourteen children were born to them, nine of whom survive. Fanning died six years ago. In addition to the nine children there survive 62 grandchildren and 37 great grandchildren. Mr. Fanning leaves also two brothers, William of Jacksonville and Robert, of Arenzville. The sons and daughters are as follows:

Mrs. James Cooper, Woodson; Mrs. John Combes, Murrayville; Mrs.Monroe Andrews, Winchester;; Mrs. Carl D. Meade, Jack Fanning, Sherman Fanning, Dick Fanning, Hervey Fanning and Thomas Fanning, all of Jacksonville.

Mr. Fanning was a member of the Zion Methodist church and was a man who had the good will and esteem of those who knew him best.

Funeral services will be held at 10:30 o'clock this morning from the residence, 514 Duncan street.

CITY COUNCIL HAS PROBLEM OF FINANCES

Trying to Find How to Make One Dollar Do the Work of Two—Give Salary Ordinance First Reading.

Finances occupied the attention of the city council at the regular meeting Monday evening. Mayor Crabtree brought up the matter in connection with the salary ordinance for city officials.

The problem of how to make each dollar do double duty is an old one and many city councils have wrestled with it to no avail. The present council is no exception to the rule and is finding the question as difficult as did those of past years.

Many other matters were discussed and the council also heard Engineer Henderson and Superintendent of Streets White tell of the good roads congress. These men brought back the information that paving costs are to be lower this year.

When the clerk called the roll it showed all members presnt except Ald. Ehnie, Mayor Crabtree presiding. Ald Ehnie came in later and took his place in the council.

The minutes of the last regular meeting were read and approved.

Resolutions transferring monies from the oil inspection fund, special and the funding bond sinking fund were read and adopted.

Claims properly approved were ordered paid.

Annual Report Submitted

The annual report of W. H. Cobb, water superintendent, was read and received and placed on file. It showed an increase in water rents over last year of nearly $1,000 in spite of the fact that a rebate is being paid on all state institution bills, for rent on the reservoir land.

Ald. Ehnie said complaints had been made to the sanitary department about odors which he thought came from the rendering works. No definite action was taken but it was the concensus of opinion that the matter should be taken up with the state board of health to see if the matter could not be permanently remedied.

It was reported that the crossing on East Lafayette avenue east of Brown street, had been fixed by the railroad company.

The clerk read the proposed salary ordinance. The ordinance provides for salary for Mayor, city attorney and aldermen. The amounts were left blank and the ordinance laid over under the rules while the council thinks about the amounts.

Mayor Crabtree said that he had intended to bring up the ordinance sooner but had not been able to do so. He said it was not fair to anyone who wanted to be a candidate for mayor to have $1. per year salary as an issue and he believed the amount should be fixed. He made it plain that if he was reelected that he would not draw any salary except $1. per year as he had done for the past two years.

Talk of Finances

In connection with the ordinance the mayor gave the council some figures showing the financial condition of the city. The figures show that under present conditions and prices the revenue is not sufficient to meet the expenses. When the figures are gotten in shape it is expected to publish them in the press so that citizens can see just what is necessary to be done and what is available for carrying on the city's business.

Engineer Henderson and Superintendent of Streets White then told briefly of their visit to the good roads meeting in Chicago. Both were enthusiastic about paving for this year.

They gave figures to show that materials will be cheaper this year and also labor. They told of work that is being planned by other Illinois cities and expressed the belief that Jacksonville should not stand still in the matter of public improvements. The matter of paving College avenue, East State street from Johnson subway and North Main street to the Wabash railroad was discussed and then adjournment was taken.

Social Events

Pledges Give Dance

The members of the Lambada Mu society of I. W. C. were delightfully entertained yesterday afternoon by the Society peldges.

The successful affair was a dance given in the college gymnasium. The orchestra from the School for the Blind furnished most excellent music. Frappe was served and dainty refreshments were passed by the hostesses.

Valentine Party Last Night

The members of the intermediate Christian Endeavor of Central Christian church enjoyed a Valentine party in the church parlors last evening. Paul Bolman was the head of the committee which arranged for this pleasant event. Several games were played and some clever stunts were given which added much to the evening's entertainment. Refreshments in keeping with a Valentine party were served during the evening.

Belles Lettres Attend Hot Dog Carnival

The members of Belles Lettres society of Illinois Woman's college were entertained yesterday afternoon at a Hot-dog carnival. The hostesses at this unique event, were the pledges of the Society.

Belles Lettres hall was converted into a carnival grounds and many of the usual carnival attractions were featured. Hamburger and hot-dog sandwiches were served at the Eats' stands. Everybody enjoyed this unusual party immensely.

Gave Tea in Honor of Guest

Miss Louise Miller of the faculty of the College of Music, entertained yesterday at afternoon tea, in honor of Mrs. Harry Lohman of Ashland. Mrs. Lohman has been the guest of Miss Miller for the last few days. She is a former student of the Woman's college and the guests at yesterday afternoon's affair included only those who knew Mrs. Lohman when she attended school here. The event in her honor was a very delightful one.

Valentine Party

The girls of the Home Economics club at the I. W. C. enjoyed a most delightful Valentine party at the home of Miss Marian Hall on South Main street Saturday evening. The evening was pleasantly spent playing games among which was the game of "Hearts," in which prizes were awarded to the winners. The house was artistically decorated with valentines and hearts. A delicious luncheon in keeping with the occasion was served during the evening.

Theta Sigma Pledges Entertain

The Theta Sigma pledges of Illinois Woman's Colleges entertained the society members Monday afternoon at a 1 o'clock luncheon at the Peacock Inn. The luncheon table in the blue room was gayly decorated with hearts and valentines. A large heart box in the center of the table, contained valentine favors which each guest pulled out by means of a red ribbon which led to her place. Red roses and place cards completed the decorations. Covers were laid for thirty-four and a delicious three course luncheon was served. The orchestra from the School for the Blind, furnished some very enjoyable music during the luncheon hour.

Loyal Women's Class Meets.

The Loyal Women's Class of the Central Christian church met Monday night at the home of Mrs. Charles Hopper, 823 Grove street, with about fifty members present. The hostesses of the evening were Mesdames Hopkins, Patchn, Ator, Evans, Leitze, Cook, Rataichak and Ator. An interesting program was given and contests announced, the latter won by Mrs. Mayme Harvey and Mrs. Bertha Helenthal. Appropriate refreshments were served and a delightful time had by all.

Valentine Party at Frisch Home

A Valentine party was given Monday evening at the home of Mr. and Mrs. Henry Frisch on West College avenue. The guests were Boy Scouts and Camp FiFre girls and numbered about forty. The hours were very pleasantly spent with games and dancing and refreshments were serve before the young guests departed for their homes. The Valentine idea was carried out in both the decorations and refreshments.

Mrs. E. H. Filson Gives Valentine Party

A children's Valentine party was given by Mrs. E. H. Filson at her home on West College avenue Saturday afternoon, for her daughters, Marian and Katherine. There were fourteen little girls from the neighborhood present and the spent the h hours in games and refreshments.

The children present were Margaret Riley, Mina Margaret Adams, Roberta Jane Weirich, Ruth Walbridge, Margaret Caldwell, Virginia Thompson, Gretchen Beadles, Dorothy Bernice Graham, Helen Wright, Margaret Benson, Dorothy Hall, Helen Hall. Lucile O'Donnell and Marilla Busey.

Murrayville Sunday School Class Entertained

Members of Mrs. Coychman's Sunday class of Murrayville M. E. church were entertained in the basement of the church Monday evening. Each member was privileged to invite a friend and about sixty were present. A program was given as follows:

Piano duet — Sontella Couchman, Irene Garvin.
Reading—Lois Wood.
Vocal—Irma Pennell.

Each girl in the class took a package which contained something useful and these were auctioned off and the boys purchased them, using popcorn as a medium of exchange. Much meerriment resulted from this feature.

A social hour followed during which refershments were served.

P. D. Trotter Surprised

A surprise party was given Saturday evening, Feb. 12 in honor of Mr. P. D. Trotter, who is soon to remove from the Clark's Chapel neighborhood to 1300 South Clay avenue. The self-invited guests numbering about 35 persons came early in the evening and the time was pleasantly passed in music, games and conversation and later in the evening a sumptuous two course supper was served. Among those present were: Mr. and Mrs. Elmer Nicholson and daughter, Louise. Mr. and Mrs. Elmer Wood and son, Loren, Mr. and Mrs. Cree Smith and son, Lloyd, Mr. and Mrs. R. W. Newberry and children, Mr. and Mrs. Reat Moody and daughters, Mr. and Mrs. Earle Cox, Adolph Bosier and sister, Miss Emma, Mr. and Mrs. E. A. Deaton and family and Mrs. J. L. Summs. The affair was perfectly appointed and highly enjoyable in every way and serves to show in what high esteem Mr. Trotter is held.

Surprise Party at Literberry

A suprise party was given at the home of Mr. and Mrs. William Hull recently in honor of Mrs. Hull's birthday. The evening was spent in music and games and before the hour of departure refreshments of sandwiches, cookies and pickles were served.

The company included Mr. and Mrs. Julia Spoons and family, Mr. and Mrs. Rudy Strubbe and family, Mr. and Mrs. Oliver Lindsay, Mr. and Mrs. Ralph Hudson, Misses Emma Johnson, Lula Henderson, Georgie Liter, Rena Ator, Cecilia Brown, Loretta Farrell, Bertha Roach, Eula and Gladys Lindsay, Ollie Daniel, Bertha Boatman and Eva Lee Hull, Mitch Willis, Messers. NEW DIVISION IN C. & A. RUMORED

Story is That Roadhouse Will be Abandoned as Terminal Point.

The St. Louis Globe-Democrat has a dispatch from Slater, Mo., stating that the Roodhouse division of the Chicago & Alton would be abandoned as soon as the new division shops and round house at Ridgely, near Springfield, are completed. If this proves to be the case it will be a severe blow to Roodhouse as the fact that it has been a division point on the Cihcago & Alton has been of great benefit to that town. Scores of trainmen live in Roodhouse and the visitors taken there because of the division terminal are also numerous.

It is said that under the new plan Louisiana, Mo., will become the terminal of the division. Trains and crews will then operate between Slater and Louisiana and between Louisiana and Ridgely. The change is understood to be considered advisable in order to shorten up the length of the division between Roodhouse and Slater. It has been 118 miles and by the new plan the division will be 100 miles in length. Railroads have found occasion to change a number of division points under existing railroad rules in order to save overtime wage costs.

FRENCH BATTLEFIELDS IS FORUM THEME

"The Battlefields of France," was the theme of James H. Shaw of Bloomington at the Congregational forum Sunday night. Mr. Shaw is not unknown to Jacksonville, as he has been here on various occasions and was the manager of the local chautauqua for several years. Mr. Shaw and Mrs. Shaw who before her mariage was Ruth Hemingway, have recently returned from abroad where they went to travel over the famous battlefields and visit various ruins.

Mr. Shaw described many of the places visited and mentioned the cemeteries where so many soldiers sleep as hallowed ground. He said that these cemeteries should be revered only second to the holy ground of Jerusalem. It was a very interesting and informing address.

"BEHOLD MY WIFE!" APPEALING PICTURE OF BIG NORTHWEST

An appealing story of the Canadian northwest is promised in George Melford's latest production, "Behold My Wife!" which will be seen at the Grand theatre for three days commencing today. The picture was adapted from a novel by Sir Gilbert Parker.

The action centers around the incongruous marriage of Frank Armour, the younger son of an aristocratic English family, and Lali, granddaughter of an Indian chieftain, whom he meets while serving as an officer of the Hudson's Bay company in northwestern Canada. On his return to the company's trading-post from a hunting expedition, Armour receives word that his fiancee in England has jilted him, largely on account of his family's opposition to her. In a moment of drunken rage, Armour marries the Indian maiden and sends her back to England to humiliate his family. How, through the efforts of Frank's elder brother, she develops into a beautiful and polished young woman and how young Armour himself is regenerated forms the theme of the story.

Director Melford has developed the story amid a rugged atmosphere of rare beauty, throughly in keeping with the theme. The notable cast includes Elliott Dexter, Mabel Julienne Scott, Milton Sills, and Ann Forrest. The picture is a Paramount.

Hospitaller Commandery No. 31 K. T., will hold a conclave this evening at seven o'clock. Visiting knights welcome.

EGG PRICES TAKE BIG SLUMP.

Until very recently the price of eggs has been high, quite out of line by comparison with the prices of grain and livestock. But now eggs have hit the toboggan and farmers who bring them to local merchants are receiving 25c a dozen and the eggs are retailing at from 30c to 35c a dozen. This is a drop of 20c in two weeks' time and eggs are now lower than they have been for many months.

Two causes are given for this sudden change, one, the warm springlike weather and the other the fact that there have recently been very heavy importations of eggs from China and other countries. Some people who follow the produce markets are firmly convinced that the prices now are lower than they will be within a few weeks' time.

KNIGHTS OF COLUMBUS WILL PLAY WHITE HALL

To Meet Strong Legion Team of That City at Liberty Hall Wednesday Evening

The Knights of Columbus five has scheduled a game with the American Legion team of White Hall to be played in Liberty Hall Wednesday evening. The game will be called at 8:30 o'clock and Coach Harmon of Illinois College will referee.

The White Hall team is composed of former high school stars and will give the local tossers a warm argument.

The Knights were compelled to cancel a game with the Olympics of Springfield last week because members of the Springfield team were sick and unable to play.

The men have been working hard the past two weeks and are in good condition for the game. Tentative engagements have been made with Myers Brothers and the Sangamo Electrics, both Springfield aggregations. The dates will be announced later.

S. W. Nichols has written the Journal from Tucson, Ariz., stating that his fifth week in the southwest is finding him improving steadily. He has been rid of his cough now for three weeks and is able to walk with ease from five to seven miles each day.

Mr. Nichols is very enthusiastic about the benefits of the climate at Tombstone and says in all his travels he has not found anything to equal it. He compares it with Florida, Colorado, California and to the advantage of Arizona. It is not Mr. Nichols' intention to return to Jacksonville until about the first week in April.

MEN AND BOYS BANQUET

The men and boys' banquet of Grace church will be held Friday evening of this week. A program of unusual interest is being prepared. It is hoped that every man of the church will arrange to be there with his son or some other boy or both. As it is very important that the ladies who serve the banquet know how many to provide for, we ask the men to report not later than Wednesday evening to James W. Breckon or Dr. Canatsey.
